

Exports

We are one of the leading merchant exporters in India. Our product lines include Specialty Chemicals, Dyes and Intermediates, Pigments, Personal Care Chemicals, Leather Chemicals, Textile Auxiliaries, Active Pharmaceutical Ingredients (APIs), Agro Chemicals, Herbal Extracts and Essential Oils. SKY IMPEX extends a tailor-made export marketing program for its clients, specifically in the SME sector. Our techno commercial team works closely with our manufacturers in product review, export business plan, quality assessment, quality control, financing, marketing plan and supply chain management.

Through our Alchemypro network, we extend customised export marketing with country specific attention to ensure market share for our clients.

Toll Processing

SKY IMPEX provides toll manufacturing services together with expert technical advice, formulation support, procurement services and end to end logistics for a wide range of clients. We offer a comprehensive portfolio of speciality chemicals, dye intermediates, Textile Auxiliaries, Herbal Extracts, food ingredients and Active Pharmaceutical Ingredients (APIs). Our Quality Assurance team at every stage of the process, ensures that the products are tested and complied with the preferred specifications.

We also provide services of blending, private labelling, repacking, packing of liquids and powders.

We will achieve our vision through organic growth and strategic partnerships, with a long-term commitment to provide:

- Superior quality products and services
- A solid network of business relationships
- Strong techno commercial expertise
- Professional care and Personal attention

Mission

Our Group

SKY IMPEX is a part of **ALCHEMYPRO GROUP**, a conglomerate based in Singapore. Our group is serving an array of industries which includes Petroleum, Petrochemicals, Basic Chemicals, Coatings, Personal Care, Oleochemicals, Agrochemicals, Pharmaceuticals and Human Resources for chemical industries. Our hometown is Singapore and our home is the WORLD. Through the Alchemypro network, the group extends its reach to customers, manufacturers and trading partners in global locations with personalized attention and care. Ethos of our group is to **INSPIRE, NURTURE, EMPOWER, SHARE** and **DELIVER - SUCCESS**® to the stakeholders – the manufacturers, distributors, logistics partners and the end users.

About Us

Incorporated in India, SKY IMPEX primarily operates in Indian market as the distribution, exports and toll processing arm of the group. SKY IMPEX was established in the year 2009, with a vision to cater the fast-growing needs of the Chemical Industry.

Distribution

Our distribution division adds value to our end users by offering quality and competitive imports with personalized attention. SKY IMPEX serves an array of industries such as Surface coating, Food & Beverages, Personal care and Detergents, Pharmaceutical & Nutrition, Plastics, Foam and Rubber, Oil & Gas, Mining, Construction, Textile, Leather and Paper industries. Our distribution points are in Mumbai, Ahmedabad, Delhi and Chennai to serve our customers spread across India in different states and to meet cost effective on time delivery. Our product-line is expanding rapidly covering a wide range including solvents, basic chemicals, monomers, alcohols, aromatics, aliphatics, esters, glycols, glycol ethers, plastics, amines, fatty acids, fatty alcohols, ketones, surfactants, cosmetics and pharmaceutical ingredients.

Procurement Services

From the inception, SKY IMPEX has set its sight to be a reliable distributor and partner, in providing high quality products and professional services to our customers. SKY IMPEX mainly provides raw materials for industries such as paint, glue, ink, packaging, pharmacy, polyester, polymer, personal care products, construction, textiles, cosmetics, agriculture and leather industries.

SKY IMPEX builds enduring relationships with suppliers, seeking to simplify business operations whilst supporting their business development and providing them with valuable market intelligence and technical expertise. With this vision, SKY IMPEX has formed long, fruitful working relationships with many of the world's top chemical and petrochemical companies.

Intending & Agency Representation

SKY IMPEX helps in connecting the global manufacturers of chemical products to various Indian industries. As an indenting company, we constantly endeavour to give quality products to our customers at competitive price levels and terms. We cherish our expertise in locating the best possible manufacturers across the world for our customers. The unique capacity of the group through its presence and operations in multiple locations across Asia and Middle East helps our team in India, to capitalize the strategic relationship and price advantage from most of the manufacturers.

As an extended marketing arm, we ensure to our manufacturers, an intensive products based attention, optimum market coverage and product development.
